

# Give Yourself To Jesus

Words & Music by Weldon C. Kennedy

Give to God a por - tion of what He gives to you;  
Lay up store in hea - ven, the place where it is sure.  
You can't take it with you by wait - ing - 'til you're dead,

5  
You will have His bless - ings ac - cord - ing to what you do.  
Moths and rust won't be there, for - ev - er it will en - dure.  
But if you're - a Chris - tian, you'll send it on up a - head.

Be a cheer - ful giv - er, not be - ing seen of men;  
We must give an an - swer as stew - ards of the Lord,  
May you choose to serve Him, it does - n't cost, it pays.

13  
Give your - self to Je - sus for we must here be - gin.  
How we love and serve Him will mea - sure our re - ward.  
Give your self to Je - sus, He'll - be with you al - ways.
